That might be the problem, if you're using the MS Browser then you need a good old fashioned Internet Explorer 6 or above, otherwise it's a problem. Internet Explorer 8 and above will let you run the PGM version of the software to try it out if you want. If you can't connect through that then you're out of luck. SRC: List of presidents of the Soviet Union This article lists the presidents of the Union of Soviet Socialist Republics between 1922, when the Union was founded, and 1991. History of the Soviet Union The Union of Soviet Socialist Republics was officially founded on 24 February 1922, with the ratification of the Treaty of Moscow. Until that time, the joint council of the national republics was the governing body of Soviet Russia. The Treaty of Moscow, which granted the new union its independence from the Russian SFSR, was signed in Moscow on 9 February 1922, between Joseph Stalin and Mikhail Kalinin. The Soviet Union existed until 1991 and in December, it was dissolved by its final president, Mikhail Gorbachev. The election of the last President of the Soviet Union took place in Moscow, on 7–8 December 1991. Boris Yeltsin was elected as the first directly-elected president of Russia, and became the first president of the Russian Federation. First seven Union presidents In the following table, the numbers in the heading give the number of years they served, in office, and before 1950 the number of ex officio years are indicated.
